If you would like more information, please visit the Cartridges for Kids website at [www.cfktoday.com](http://www.cfktoday.com). We will be running this project as a school-wide contest. The class that collects the most items for recycling will win a pizza party! We anticipate the students being very eager to participate in the contest so we will need to be sure that all items brought in have parental approval. We are asking PARENTS to write "OK TO RECYCLE" on a piece of paper or STICKY NOTE (one per item) and SIGN IT, place the item in a baggie and send it to school. Then we can be sure that the child has permission to recycle the item. Any item that is received without a note will be returned.
