

**Parents:  
Give your  
kids a boost!**

The 2009 H1N1 flu is still circulating. If you have a child 6 months to 9 years of age, please make sure he/she receives the second dose of the H1N1 vaccine.

To find H1N1 vaccine near you, log onto: **[health.state.ga.us/h1n1flu](http://health.state.ga.us/h1n1flu)** or call **888-H1N1-INFO** (888-4161-4636).
