Why join PTA?

Get Connected. When you join PTA you are more informed about events, volunteer opportunities, and all Ivy Creek happenings! Being connected shows your kids you want to be a part of their world.

Your Child Benefits. When parents volunteer at school, children do better. Research shows children whose parents are involved get better grades, have higher test scores, and have far less discipline problems.

Make a difference. Our mission is to create the kind of school community where students, teachers, and school administrators can do their best work and have fun. We want our children to be bursting with school pride because we have supported the staff and school in ways we can be proud. These days, schools are asked to do a lot more with a lot less. That is why our help is needed to fill those gaps.

We pledge to honor your time! People are often reluctant to volunteer because they are afraid they will get pulled into a black hole of never-ending time commitment. Do not worry, it will not happen here! An hour or two really makes a difference. We will not push you to commit to more than you want or are able.

Create a network. Volunteer work should not be painful. I guarantee you will make friends along the way. Parenting is not easy. It helps to share ideas, concerns, and experiences with others. PTA gives you the opportunity to meet other parents and teachers and build a rapport that will be invaluable. We all share a common bond. We are peers and neighbors who want to see our children have the best school experience we can create.

Rewards. Witness improvement. By getting involved you will be part of the solution in helping make positive changes! PTA plays an important role in fundraising to provide support and improvement which is vital to Ivy Creek's success. By being involved you will show your child the importance you place on education!
